What is abuse?

Put simply, abuse is when a person is treated cruelly and/or violently. It can take many forms and there are different types of abuse. At LSDN we recognise, sadly, that abuse can and does happen and as such have made this booklet available to learners in the hope that they will recognise it and that they will know what to do in the event that it should happen.

Types of abuse:

- Domestic violence or abuse
- Sexual abuse
- Psychological or emotional abuse
- Financial or material abuse
- Modern slavery
- Discriminatory abuse
- Neglect or acts of omission
